

LOGIC STAGE HISTORY ASSIGNMENT

In Your Notebook (NB), answer the following questions in cursive and in complete sentences on lined notebook paper:

- 1) What is the due date of this assignment? What week of school is that?
- 2) What book(s) are you using to complete this assignment? Also list the page(s) or chapter(s).
- 3) What people/culture does your history reading assignment cover?
- 4) Where did they live? (name of country(ies) at that time, name of country(ies) now, continent(s) located on)
- 5) What dates did they live? Are they B.C. or A.D.?
- 6) Copy from the blackboard the Most Important Accomplishments (MIA's) of these people. This may be listed on the blackboard several weeks.
- 7) From teacher's lecture, write one fact about the government or one fact about the economy of these people.
- 8) In chronological order, briefly tell their main events (Key Dates), listing the dates in front of each occurrence.
- 9) What occupations did these people perform?
- 10) By what means did they travel?
- 11) **7th & 8th graders only:** Choose one topic from this historical time and culture (event, person, cultural item), read more about it using a different source (encyclopedia, magazine, internet, or book). Write one paragraph about your topic. Give your paragraph a title and list your source at the end of your paragraph (author, title of source, page number or website).
