

2021 SUMMER HOME LINKED ASSIGNMENTS - DIALECTIC LEVELS

Name _____

Class student is going into _____

Frequently Asked Questions

Why do we have Home-Linked Assignments (“HLAs”) in the summer?

- ACE is a year-round program founded on the premise that students do better academically if they do not have a long summer break in their studies.
- *Research shows that most students lose about two months of grade-level equivalency by taking the summer off.* We don't want that to happen to you!
- Summer HLAs are greatly reduced from the school year, but provide enough academics to help transition you smoothly back into the regular school year without losing your academic edge.
- Summer HLAs follow the school year schedule of “3 weeks on” and “1 week off”.

What level of work should I complete?

- Students should do the work for the level they *will be* enrolled in this year, except for Latin.
- IN LATIN ONLY, students are to do the work for the book just completed (not the one they are going into). For example, a student that completed Primer A last school year should do the Primer A HLAs this summer.
- New students to ACE do not have any Latin HLAs.

What if I have questions about what to do/what the assignment means?

- Contact your Academic Dean (“AD”) or contact Mrs. Sahnou (Mrs.Sahnou@AceClassicalEd.org).

How should I turn my work in?

- Put the HLA sheet on top of the work completed, placing all your assignments **in order** underneath.
- Put all these documents in a manila envelope with your name on the front or staple assignments together in order.
- Math work should be checked by your math teacher and does not need to be submitted to your Academic Dean, unless requested by your AD or math teacher.

When are Summer HLAs due?

- **July HLAs are due by August 3.**
- Turn in completed JULY HLAs to the ACE office (or drop box outside of ACE) on or before August 3.
- **August HLAs are due at Orientation on August 31.**

HLAs will be checked by your Academic Dean, and satisfactorily completed work will earn you two Barnes & Noble reward cards in September. Summer SIF will also be awarded for extra-curricular activities.

2021 SUMMER HOME LINKED ASSIGNMENTS - DIALECTIC LEVELS

What if I don't complete all my HLAs?

- Submission of completed HLAs finalizes student enrollment in ACE. Do your work, keep your place in ACE! ☺
- *Incomplete Summer HLAs will result in Homework Club on Week 1.*

Other Important Information

Reading Contest (optional): Join in the fun! Read, read, read! We have 4 contest levels!

- The students that read the most pages (in grade appropriate books) in Pre-Reader - Grammar B, Grammar C & D, Dialectic 1 & 2, Dialectic 3 & Rhetoric will receive a grand prize!
- The contest runs all summer (write books & # of pages read on your *Reading Log*).

Multiplication Tables:

- All Grammar D and up students (including returning students, even if you have previously passed this test) must pass the multiplication test in October, which is very important to cut down on math homework time.
- Students who have not passed that test in October will attend Homework Club for help studying these until they pass.
