Grammar Summer HLAs

Student Name: _____

Class student is going into:

Grammar A

Grammar B

Grammar C

Grammar D

2024 SUMMER HOME LINKED ASSIGNMENTS - GRAMMAR LEVELS

Name _____

Frequently Asked Questions

Class student is going into _____

Why do we have Home-Linked Assignments (“HLAs”) in the summer?

Math book student is going into _____

- ACE is a year-round program founded on the premise that students do better academically if they do not have a long summer break in their studies.
- *Research shows that most students lose about two months of grade-level equivalency by taking the summer off.* We don't want that to happen to you!
- Summer HLAs are greatly reduced from the school year, but provide enough academics to help transition you smoothly back into the regular school year without losing your academic edge.
- Summer HLAs follow the school year schedule of “3 weeks on” and “1 week off”.

What level of work should I complete?

- Students should do the work for the level they *will be* enrolled in this year, except for Latin.
- IN LATIN ONLY, students are to do the work for the book just completed (not the one they are going into). For example, a student that completed Primer A last school year should do the Primer A HLAs this summer.
- New students to ACE do not have any Latin HLAs.

How should I complete my assignments?

- Always write neatly whether math or writing assignments.
- Use best cursive handwriting unless learning to write in cursive. Then use nice print writing.
- Use complete sentences, check spelling, and use proper grammar.
- Label each assignment with name, subject, and week #.

How should I turn my work in?

- Put the HLA sheet on top of the work completed, placing all your assignments **in order** underneath.
- Put all these documents in a manila envelope with your name on the front or staple assignments together in order.
- Math work should be checked by your math teacher and does not need to be submitted to your Academic Dean, unless requested by your AD or math teacher.

When are Summer HLAs due?

- **July HLAs are due by August 6 (at the math class).**
- Turn in completed JULY HLAs to the ACE office, your AD, or drop box outside of ACE on or before August 6.
- **August HLAs are due at Orientation on August 27.**

HLAs will be checked by your Academic Dean, and satisfactorily completed work will earn you two Barnes & Noble reward cards in September.

2024 SUMMER HOME LINKED ASSIGNMENTS - GRAMMAR LEVELS

What if I don't complete all my HLAs?

- Submission of completed HLAs finalizes student enrollment in ACE. Do your work, keep your place in ACE! ☺
- *Incomplete Summer HLAs will result in Homework Club on Week 1.*

What if I have questions about what to do/what the assignment means?

- Contact your Academic Dean ("AD") or contact Mrs. Sahnou (Mrs.Sahnou@AceClassicalEd.org).

Other Important Information

Reading Contest (optional):

Join in the fun! Read, read, read! We have 4 contest levels!

The students that read the most pages (in grade appropriate books) in Pre-Grammar & Grammar A, Grammar B & C, Grammar D & Dialectic 1, Dialectic 2, 3 & Rhetoric will receive a grand prize (\$25 Barnes & Noble gift card)!

- The contest runs all summer (write books & # of pages read on your *Reading Log*).

Multiplication Tables:

- All Grammar D and up students (including returning students, even if you have previously passed this test) must pass the multiplication test in November. Learning the multiplication tables is very important to cut down on math homework time.
- Students who have not passed the test in November will be guided towards passing in various ways: attend Homework Club for help studying these until they pass; extra drills at home; flash cards; verbally reciting, etc. Multiplication drills are included in the summer HLAs to help you prepare, if needed.

2024 SUMMER HOME LINKED ASSIGNMENTS - GRAMMAR LEVELS

JULY ASSIGNMENTS		Parent Initial Verifying Completion
<p>Week 1: July 1-5 Remember- These assignments are due on or before August 6.</p>		
MATH CLASSES: TUESDAY, JULY 2, 9:30 - 12:00 noon @ ACE
