ACADEMIC DISCLAIMER

ACE Charter School offers an academically challenging, college preparatory curriculum. The school staff works together with families and students, to create an educationally stimulating environment - one that is scholastically rigorous, comprehensive, and intensive. As such, ACE Charter School will not effectively meet the needs of all families.

STUDENT EXPECTATIONS

All students are expected to do their best at all times. ACE is not a school of entitlement but a school of choice with minimum participation standards. Students who repeatedly fail to show progress, turn in assignments, or maintain attendance may be asked to return to their district of residence.

STUDENT RIGHTS

Students have the right to freedom of speech and expression, protection from discrimination based on factors like race, sex, or disability, access to a safe learning environment, and the right to due process before facing disciplinary actions, all within reasonable limitations to maintain order in the school setting.

100 PROGRAM OVERVIEW

101 Mission

ACE develops and enhances strong character by working collaboratively with families, utilizing an integrated classical curriculum, and personalizing education to challenge students academically.

102 Philosophy

ACE believes students are best prepared as moral, productive, contributing members of our world when trained cooperatively by family and school in an atmosphere expectant of constant ethical behavior and scholarly efforts.

102.1 Four Pillars

The pillars of ACE's comprehensive college preparatory educational program are:

- integrating character year-round into school, home, and life;
- working collaboratively with families as partners;
- utilizing an integrated classical curriculum; and
- personalizing education to challenge each student.

103 Program Goals

Graduating students with strong moral character, minds expanded through extensive reading from historically and culturally rich literature, possessing solid skills in writing, speaking, and mathematics, with knowledge of the various scientific disciplines, and having developed personal interests is the school's objective.

103.1 Character

The purpose of an ACE education is to instruct the student's character to be responsible for their own actions. The academics provide the tool for training students to be punctual, attentive, obedient, diligent, etc. throughout their future lives.

103.1.1 Four Year Character Trait Rotation

YEAR 1	YEAR 2	YEAR 3	YEAR 4
Compassion	Virtue	Truthfulness	Wisdom
Punctuality	Punctuality	Punctuality	Punctuality
Attentiveness	Attentiveness	Attentiveness	Attentiveness
Obedience	Obedience	Obedience	Obedience
Dependability	Responsibility	Self-Control	Determination
Hospitality	Gratefulness	Generosity	Tolerance
Orderliness	Resourcefulness	Discernment	Loyalty
Availability	Enthusiasm	Flexibility	Thoroughness

Creativity	Initiative	Cautiousness	Discretion
Sensitivity	Diligence	Boldness	Patience

103.2 Academics

ACE utilizes books on classical education such as *The Well-Trained Mind*, *The Well-Educated Mind*, and *The Core* as guides for a sequential, interdisciplinary, structured curriculum designed to give all K-12 students the advantage of a solid foundation in a liberal arts, college-preparatory education. The demanding, classically-thorough curriculum includes core academics and is shaped by these priorities:

- Clear expression in writing and speaking
- Extensive vocabulary provided through Latin and foreign language studies
- Broad historical and cultural perspective
- Strong foundation of mathematics and science

ACE curriculum is a language arts and humanities intensive program structured on a four-year rotational schedule. All curriculum, as coordinated with the students' Academic Dean, must be completed to ensure a comprehensive education is provided.

103.2.1 Classical Education

Classical education's Trivium consists of Grammar, Dialectic, and Rhetoric stages in student academic development.

Logic and rhetoric are often taught in part by the Socratic method in which the teacher raises questions and the class discusses them. By controlling the pace, the teacher can keep the class very lively, yet disciplined.

Grammar

The Grammar Stage focuses on language skills -- primarily reading and the mechanics of writing. An important goal of Grammar is to acquire as much vocabulary as possible across the curriculum. Very young students learn this vocabulary by rote, especially through the use of chant and song. Their minds are often referred to as "sponges" that easily absorb a myriad of facts. Classical education traditionally includes the study of Latin and Greek; at ACE, all students, grades one through high school, study Latin. Latin studies reinforce understanding the grammar of languages and permit students to reach the goal of reading Western Civilization's classics in the words of the authors. The Grammar stage refers generally to the elementary school years.

Dialectic

Dialectic (or logic) is discussion and reasoning by dialogue as a method of intellectual investigation. In the modern renaissance of classical education, this dialectic stage refers to the middle school or junior high school student, who developmentally is beginning to question ideas and authority, and truly enjoys a debate or an argument. Training in logic, both formal and informal, enables students to critically examine arguments and to analyze their own. The goal is to find out why something is true, or why something else is false, in short, reasons for a fact.

Rhetoric

Rhetoric debate and composition (which is the written form of rhetoric) are taught to somewhat older (often high school aged) students, who by this point in their education have the concepts and logic to criticize their own work and persuade others. Rhetoric is concerned with finding "all the available means of persuasion." The students learn to persuade others with facts, and succeed in the persuasion. Students learn to reason correctly in the Dialectic stage so they can then apply those skills to Rhetoric. Students read original source documents and learn to present their arguments well.

103.2.2 Portrait of an ACE Graduate

- 2) Obtains skills to tackle unfamiliar vocabulary

CLASSICAL STUDIES:

Understands & communicates effectively an informed appreciation of Western Civilization's great ideas & rich heritage.

103.4 Extra-Curricular Activities

Students are encouraged to develop individual interests. To this end, Supplemental Instructional Funds (SIF) provide full-time students with monies for instruction and supplies related to these interests. Such elective activities are not considered part of the general curriculum (See 600).

104 Annual Schedule

The school year begins July 1 and ends June 30. No services or funds may be rolled over from the previous school year into the new school year. The required days of attendance are listed below.

- Parent & Student Orientation
- Weeks 1-29 School Days held on Tuesdays - Thursdays (each three-week cycle is typically followed by one week off with the exception of two weeks for Spring Break and Christmas Break).
- Week 30 is finals and dress rehearsal for the Year-End Program.
 - The Year-End Program is also held on Week 30 (Friday);
- Week 31 for AIMS as scheduled by student's Academic Dean;
- 1-2 math sessions in July and 1-2 math sessions in August.
- For grades 3 & up, state assessments (see ACE calendar for grade levels and dates required testing is scheduled in April & May)
- PSAT exams for students 8-11 grade.
- AP® retreat (required for students taking ACE provided exams) & exams for students enrolled in AP® courses (see ACE calendar for scheduled dates)

104.1 Quarterly Hour Limits

The Oregon School Year is divided into four quarters:

- First Quarter: July 1 to September 30
- Second Quarter: October 1 to December 31
- Third Quarter: January 1 to March 31
- Fourth Quarter: April 1 to June 30

For full-time students in Grades 1-12, the total allowable school year hours are 1050. During each quarter, these students may record up to 262 hours of instructional services, supporting activities, and completed assignment hours. Half day kindergartners and part-time students may only record half this number of hours. Unused hours from any quarter may not be accumulated for use in later quarters.

105 Equal Access

105.1 Equal Opportunity

ACE Charter School admits students of any race, color, sex, gender identity, marital status, sexual orientation, religion, national and ethnic origin, age or disability to all the rights, privileges, programs, and activities generally accorded or made available to its students. It does not discriminate on the basis of race, color, sex, gender identity, marital status, sexual orientation, national and ethnic origin, age or disability in administration of its educational policies, admissions policies, and programs or hiring practices.

105.2 Religion

ACE is state-funded, and as such cannot offer religious: 1) sponsorship, 2) financial support, 3) active participation, 4) materials, or 5) instruction. ACE recognizes the right of every student to freely express their religious beliefs as guaranteed by the Constitution's First Amendment.

200 ORGANIZATION

ACE Charter School is a DBA of Home Scholars' Academy of Oakridge & Westfir, a 501(c)(3) non-profit corporation. Charter schools are innovative public schools providing choices for families.

Organizational Chart

200.1 Donations

As a 501(C) 3 entity, the Academy for Character Education accepts donations. Receipts are provided for tax purposes. Donations should be submitted to the Business Manager.

201 Families

The school is organized to meet the needs of the families whose children attend. Families are encouraged to bring to the administration's attention any reasonable concerns they have; this may be done by contacting the Administrative staff and by completing appropriate forms and following the procedures in place (see 804 & 805).

201.1 Volunteers

To provide the students with as many scholastic programs as possible, the school's resources are channeled toward instruction, instructional supplies, and student services. To facilitate this necessitates the labor of many people. Each family is requested to volunteer for one job each year. A list of volunteer jobs will be available at the beginning of the school year and volunteers will be requested for various events during the school year.

202 Board of Directors

An elected board oversees the school and is comprised of five to seven people: president, vice president/treasurer, secretary, and from one to three members-at-large. The board is governed by the bylaws of the parent organization, Home Scholars' Academy of Oakridge & Westfir, and the Oregon Public Meetings & Public Records statutes. Board members are encouraged to participate in training that improves their understanding of the school and board procedures.

202.1 Elections

A nominating committee of member families, staff, and current or former board members nominate individuals to serve on the board. These nominations are approved by the sitting Board of Directors. Terms of office are two years with no limit to the number of terms a board member may serve. Board vacancies caused by resignation are filled as soon as possible during a board meeting by a simple majority vote of the sitting board. Employees may not serve as voting members of the board, but only in advisory capacities, while husbands and wives serving on the board share one position and one vote.

202.2 Meetings

Monthly board meetings are held in accordance with the laws governing public meetings. The tentative meeting dates for the entire year are listed on the school calendar. Agendas are posted on the ACE website at least 24 hours in advance of a meeting. At least one week prior to a board meeting, individuals wanting to address the board must submit in writing to the board chairman the individual's name, phone number, & a summary of their topic. The board chairman will contact the administration to discuss the topic in an effort to discern whether the item is one appropriate for board attention or better handled by another avenue. Public comments are welcomed during the designated time in each meeting.

202.3 Duties

The board's primary duties include hiring and evaluating the administrative staff, approving the budget and school calendar, and updating policies and procedures.

203 Administrative Staff

Day-to-day school operations are facilitated by ACE Charter School's administrative staff. The Finance Director and Business Manager handles financial matters. Screening of prospective employed staff, formulation of annual budget and calendar, and oversight of instructional and support staff are the main jobs of the administrative staff.

204 Instructional & Support Staff

Members of the instructional staff teach classes, and/or provide tutoring and elective instruction. The support staff oversees the library, office, the ACE website, etc.

300 STUDENTS

Students between the ages of 5 (by September 1) and 21 (who have not yet earned a diploma) may attend ACE even if the school is not in their resident district. Providing there is space available in the student's grade and/or Trivium Level, the school is open to any student who applies and completes all admission documents and registration requirements. Students are accepted on a first-come, first-served basis determined by ACE's receipt of completed admission documents and space available.

When space is unavailable, families desiring their student be enrolled must complete the waitlist on the school's website; this notifies ACE of their intention to take the next available slot.

301 Full-Time Students

Full-Time enrolled students are defined as students who receive ACE's comprehensive education. No full-time ACE student is considered, by the Oregon Department of Education, to be homeschooled.

301.1 Full-Time Student Enrollment Procedure

Confirmed enrollment for full-time students occurs when a family completes the following procedure:

1. **Registration:** The registration form is available online. It must be completed with all required information and submitted electronically.
 - a. **Returning Students:** Each school year between February and March, returning student's families must update their registration form. Failure to submit the completed forms may result in returning students forfeiting their enrollment slot.
 - b. **New students:** Students wishing to attend ACE for the first time must complete the registration form and provide any requested documentation (birth certificate, immunization).
2. **Space Available:** To maximize student success, ACE has a limit on the number of students for each class. Space will be allotted based on the following criteria.
 - a. **Returning Students:** Space will be allocated for returning students based on their promotion to the next grade and applicable level. Slots will not be held in two levels.
 - b. **Siblings:** If space in a class remains after currently enrolled students' slots are determined, siblings of those students receive remaining classroom space. Should a sibling enroll, withdraw, and then later wish to re-enroll, they will be added to the wait list if no space is currently available.
 - c. **Lottery:** If there are spaces available for all those students whose registration form was received on time, they all will move to complete admission status. If more students for whom registration forms have been submitted than classroom space is available, the ACE administration will conduct a lottery. Students' names will be placed in a hat, and the administrative staff will fill remaining spaces with the first student's name pulled from the hat, and so on. When a student name is selected, the family is called, and given 24 hours to accept the opening. If they decline or fail to respond, ACE moves to the next name on the list.
 - d. **Waiting List:** Remaining names from the Lottery will be maintained on a waiting list should space become available. Additional registration forms are accepted throughout the year and names added to the waiting list. Should space become available in a particular classroom, the waiting list will be consulted.

301.2 Finalizing Admission

Admission is finalized when:

- Student's parent attends the ACE Parent Orientation, and student attends ACE Student Orientation;

2025-2026 ACE Handbook

- Student's parent submits the completed ACE registration forms (link provided on or before the ACE Parent Orientation);
- Required Summer HLAs are submitted.

301.2.1 Summer Instruction

For students who enroll during the summer (July & August), tutoring or math classes occurring in those months or until Placement Testing occurs will be waived. Summer HLAs may be waived or modified by the student's AD.

301.3 Placement Tests

Initial assessments using ACE curriculum-specific placement exams ensure students are working at the correct level. Both new and returning students are required to take placement and progress tests. Returning students are tested on Weeks 27-29. New students are tested on Week 31.

301.3.1 Newly Enrolled Students

Pre-Requisite Reading Ability According to Level:

Trivium Level	General Grade Level	Reading Level	Lexile Level
Pre-Grammar	Kindergarten	Non-readers	N/A
Grammar A	1/2	Early Reader/Bob Books Set 1	100-299
Grammar B	2/3	Intermediate Beg./Bob Books Set 3	300-499
Grammar C	3/4	2.9	500-599
Grammar D	4/5	3.9	600-699
Dialectic 1	5/6	4.9	700-849
Dialectic 2	6/7	5.9	800-899
Dialectic 3	7	6.9	850-999
Dialectic 4	8	7.9	900-999
Rhetoric	9-12	8.9	1000-1300

In addition, no students will be considered for the Pre-Grammar class unless able to completely toilet independently. Teachers or other parents are not allowed to perform this task for a student unless the student is on an IEP (Individual Education Plan).

Families may request alternative placement to accommodate a student's needs. ACE reserves the right to discuss placement choices or make a placement change with parental/guardian input depending on student's

ability to complete assignments, state assessment scores, reading comprehension test results, student's demonstrated maturity level, and current instructor/administration input.

301.4 Meetings/Conferences

During enrollment, a student's family collaborates with the student's assigned Academic Dean (AD) to set the student's Academic Instructional Marks (AIM).

During AIMs meetings, the student's AD reviews placement and progress assessments and determines, for each academic subject, the appropriate level. Classes and elective opportunities are addressed. All students in grades kindergarten through twelve and their families are encouraged to discuss the student's interests, talents, and goals. Subsequently, staff may present specific suggestions to the student and their family about possible enrichment opportunities to develop these areas. To complete student's AIM goals, ACE provides weekly classes, Homework Club, and some electives.

301.4.1 Proposed Meeting Schedule

- Pre-Grammar 2-3 AIM meetings per year
- Grammar & Dialectic 2-3 AIM meetings per year
- Rhetoric 3-4 AIM meetings per year

301.4.2 Additional Meetings with Academic Deans

ADs are available for additional conferences with families. It is recommended families schedule appointments to ensure their student's AD is not previously booked. Suspension, excessive absences or tardies, or the need for additional academic assistance will result in further conferences being scheduled at the AD's request.

301.5 End of Year Grade Promotion

Previously enrolled ACE students must meet the following criteria for grade-level promotions:

- Demonstrated good character by faithful completion of assigned Character Chore and/or Character Project;
- Complete and submit all assigned Home-Linked Assignments (HLAs);
- Have a final grade of "C" (70%) or better in all subjects; if student's final grades are failing, make up work can be assigned to bring the grades up;
- By announced date, complete & submit Health & PE Standards.

301.5.1 Additional Trivium Level Promotion Criteria

In addition to 301.5, returning students must demonstrate their ability to succeed at a level through the skills listed below. Skills are discussed with Academic Deans and special needs are accommodated.

- Pre-Grammar moving to Grammar A Level must:
 - 1) Read beginning level book (such as Bob Books Level 1);
 - 2) Write spelled-out word (can recognize and write letters that are spoken);
 - 3) Have memorized all Pre-Grammar Recitations;
 - 4) Recite 0 X 0 through 0 X 12 times table.

- 5) Complete Character Fair project
- Grammar A student moving to Grammar B must:
 - 1) Read intermediate-beginner book (such as Bob Books Level 3);
 - 2) Test at grade 1.5+ in ACE Spelling Program;
 - 3) Use correct pencil grip;
 - 4) Write in cursive;
 - 5) Have memorized all Grammar A Level Recitations;
 - 6) Recite assigned times tables (0's, 1's, 2's, 5's & 10's).
 - 7) Complete Character Fair project
- Grammar B student moving to Grammar C must:
 - 1) Read at 2.9 + grade level;
 - 2) Use correct pencil grip;
 - 3) Write in cursive;
 - 4) Have memorized Grammar B Level Recitations;
 - 5) Correctly write sentences;
 - 6) Test at grade 2.5+ in ACE Spelling Program;
 - 7) Recite assigned times tables (0's, 1's, 2's, 3's, 4's, 5's, 6's, 7's, & 10's).
 - 8) Complete Character Fair project
- Grammar C student moving to Grammar D must:
 - 1) Read at 3.9+ grade level;
 - 2) Use correct pencil grip;
 - 3) Write in cursive;
 - 4) Have memorized Grammar C Level Recitations;
 - 5) Correctly write paragraphs;
 - 6) Test at grade 3.5+ in ACE Spelling Program.
 - 7) Recite assigned times tables (0's through 12's)
 - 8) Complete Character Fair project
- Grammar D student moving to Dialectic 1 must:
 - 1) Read at 4.9+ grade level;
 - 2) Write in cursive;
 - 3) Have memorized Grammar D Level Recitations;
 - 4) Correctly write paragraphs;
 - 5) Test at grade 4.5+ in ACE Spelling Program.
 - 6) Pass 5 minute 100 multiplication facts test (0 X 0 through 12 X 12).
 - 7) Complete Character Fair project
- Dialectic 1 student moving to Dialectic 2 must:
 - 1) Read at 5.9+ grade level;
 - 2) Write in cursive;
 - 3) Have memorized Dialectic 1 Level Recitations;
 - 4) Correctly write multi-paragraph one page composition;
 - 5) Test at grade 5.5+ in ACE Spelling Program;

- 6) Pass 5 minute 100 multiplication facts test (0 X 0 through 12 X 12).
- 7) Complete Character Fair project
- Dialectic 2 student moving to Dialectic 3 must:
 - 1) Read at 6.9+ grade level;
 - 2) Write in cursive;
 - 3) Have memorized Dialectic 2 Level Recitations;
 - 4) Correctly write multi-paragraph two page composition;
 - 5) Test at grade 6.5+ in ACE Spelling Program;
 - 6) Pass 5 minute 100 multiplication facts test (0 X 0 through 12 X 12).
 - 7) Complete Character Fair project
- Dialectic 3 student moving to Dialectic 4 Level must:
 - 1) Read at 7.9+ grade level;
 - 2) Write clearly in cursive;
 - 3) Have memorized all Dialectic 3 Level Recitations;
 - 4) Write 5 paragraph essay;
 - 5) Test at grade 7.5+ in ACE Spelling Program;
 - 6) Pass 5 minute 100 multiplication facts test (0 X 0 through 12 X 12);
 - 7) Complete Character Fair project
- Dialectic 4 student moving to Rhetoric Level must:
 - 1) Read at 8.9+ grade level;
 - 2) Write clearly in cursive;
 - 3) Have memorized all Dialectic 4 Level Recitations;
 - 4) Write 5 paragraph essay;
 - 5) Test at grade 8.5+ in ACE Spelling Program;
 - 6) Pass 5 minute 100 multiplication facts test (0 x 0 through 12 x 12)
 - 7) Complete Character Fair project
 - 8) Complete *Saxon Algebra ½*.

301.5.2 Talented & Gifted

Students who exceed on the state assessments in a particular subject area will be considered for advancement beyond their age-appropriate grade level in that subject area. Additional considerations are consistent, timely, and accurate completion of HLAs, and current instructor/administration input. Maturity of student will also be considered; class materials were designed for the maturity level of the appropriately-aged students and may be compromised by admission of an underage student. For most advanced students, advancement in one or two classes is preferable to placement across the board in a higher level. TAG is an individualized program based on the needs of the student.

301.5.3 Mid-Year Level Promotion for Enrolled Students

To advance to the next Trivium level for one or all classes (providing space is available), a student must meet all the above criteria, and, in addition, for one complete term or more, meet the demands of their current level by:

- Satisfactorily completing **all** HLAs for **all** subjects;
- Maintaining a “B” or better grade point in every subject.

Families desiring mid-year level promotions should communicate with their Academic Dean and ACE administration. In conference with the affected ADs, the necessary data will then be collected and assessed. Within two weeks, the family will be apprised of the school’s decision. Typically, mid-year promotions will only occur during winter or spring break.

As per Oregon statute 581-022-1130(2)(d) students younger than ninth grade may earn high school credit by successfully completing the full course of study for any Rhetoric level course. Refer to Section 301.5.2 for alternative options for TAG students when high school classes are not an appropriate placement.

301.5.4 Initial Grade Level Placement

Unless placement testing indicates a student is behind one or more grade levels in math or reading, students enrolling in ACE will initially be ODE registered at the grade level indicated by their previous state or benchmark assessment record (i.e., if a student took, in the previous school year, the seventh grade state assessments, student will be registered as an eighth grader) and the results of their placement tests. Grade level questions should be brought to the attention of the Principal.

301.6 Rhetoric Students and Graduation

Rhetoric students are required to follow the credit schedule as stated below, earning credit by attending all classes or equivalent classes unless a waiver has been obtained from the ACE Board.

- For class advancement, Rhetoric students must accumulate the following credit totals as recorded on their ACE Diploma Worksheet:
 - 6+ = Sophomore
 - 12+ = Junior
 - 18+ = Senior
 - 24 specified credits, passed all required Oregon state assessments = College Preparatory Diploma
 - 28.5 specified credits, passed all required Oregon state assessments = Honors Diploma

301.7 Graduation

ACE conducts a graduation ceremony for all qualifying students. Valedictorian will be selected based on highest, weighted GPA of completed high school graduation requirements and college course work.

Salutatorian will be chosen based on second highest, weighted GPA of completed high school graduation requirements and college course work. Students participating in the graduation ceremony must attend dress rehearsal.

302 Distance Learning For Full-Time Students

Due to enrollment and/or staffing restrictions ACE is sometimes unable to serve all the students desiring enrollment. As a result, these students may choose to enroll in while awaiting an opening on campus. As it would be difficult for a student to step into a full-time classroom slot unless completing the regular required work, these students will participate in the following aspects of the school program:

- AD oversight
- JupiterEd accounts
- Complete curriculum
- Monthly reward to qualified students
- Field trips, events
- Oregon State Assessments

303 Program Offerings

ACE offers the following educational choices:

ACE Preparatory School, an on-site K-12 school.

ACE Honors, an on-site 9-12 college and scholarship focused school.

ACE Foundations, an off-site K-12 school.

ACE Prep@Home, an off-site K-12 school, utilizing ACE's preparatory and other flexible curriculum options.

303.1 Prep & Honors Programs

Students in the K-12 program can choose to be in the Prep program, which has fewer requirements than the Honors program. Some examples of reduced assignments include: 1) reciting timeline dates by the term instead of the year; 2) shorter readings; 3) fewer memorization lines for monthly recitation.

Honors students have longer memorization pieces, additional reading, and enrichment assignments to further their academic growth.

304 Resident District

Regardless of where a student lives, ACE students are members of the student body of the South Lane School District. For extra-curricular activities, all students remain part of the student body of the districts in which they reside (see 308). ACE is an approved OSAA school.

305 Assessments

305.1 Smarter Balanced/OSAS

Oregon Statewide Assessments are required in grades 3 through 8 and 11 and for any student grade 12 who has not met for each eleventh grade assessment (math, reading, writing, and science). Generally, testing is scheduled for Off Campus Week in April and May; however, in the event a student is not able to take tests during scheduled testing, ACE staff provides special testing accommodations on school days.

Before testing, students will be evaluated to determine if student may qualify for testing accommodations. If determined that other accommodations will prove beneficial to the student, the ACE Assessment Coordinator will schedule a one-on-one session with the student or provide other approved and necessary accommodations.

Students who do not participate in Smarter Balanced testing will be provided with study hall time and alternative assessments during the testing weeks.

305.2 Advanced Placement® Courses and Tests

ACE offers Advanced Placement® and other options for Rhetoric students to gain college credits prior to graduating from ACE. Some classes may have pre-requisites and course entry should be discussed with the Rhetoric Director to ensure maturity and appropriate knowledge base is in place. ACE pays for students to participate in the AP exams offered each year. Students that drop an AP test after it has been ordered (typically in November) will have the cancellation fees deducted from their SIF account. In addition, with prior approval from the Rhetoric Director, students may take AP exams for which they have prepared for during the year via independent study or tutoring.

305.2.1 AP Retreat

Students taking an AP exam paid for by ACE must attend the AP retreat.

305.2.2 College Class Scholarship Fund

ACE has established funds to support full-time junior and senior Rhetoric students who have completed all or the better part of their ACE diploma requirements, are working toward earning college credits, who are passing all classes, and/or who have specialized interests in classes which ACE does not offer. Juniors qualify for one college class a year (up to \$900) and seniors qualify for one college class a term (up to \$900/term). Books and materials may be paid for via SIF reimbursement. Failure to receive a passing grade will result in student paying for the class via SIF or direct repayment to ACE. If student is a senior, student must take classes required for graduation at ACE. Families should refer to the ACE Early College Program Contract for more details.

306 Grades

JupiterEd, an on-line grading system, is available for families to track the status of their student's assignments and grades. Students must complete all work assigned and are graded using the following percentage scale:

- 90% - 100% A

- 80% - 89% B
- 70% - 79% C
- 0% - 69% F

306.1 Academic Expectation:

Frequently, the problem of low grades is also related to poor work habits. If a student has enrolled in classes but does not participate by submitting assignments on time and completed to the best of their ability, the student may be recommended for non-continuation and referred to their district of residence. Students are notified and have one full semester to show improvement. In addition, if students have a missing work report of 20+ assignments, the students' Academic Dean will schedule a meeting with the parent, student, and administration to discuss a plan for improvement and/or other academic options. Parent/guardians should plan to attend classes with student to ensure parent/guardian is understanding the academic expectations and to better assist their student at home. When the student's assignments are caught up, the parent need not attend further. However, all parents are welcome at any time.

35+ missing assignments without prior approval from student's AD = truant. ACE administration will work with Lane ESD to follow truancy procedures.

The administration may make an exception to the above rule for students with identified learning disabilities or for students who demonstrate a high level of motivation and have strong parent involvement. Parents may apply to the school for a waiver of this requirement but the key consideration will be the demonstrated effort of the student. Administrators will take into consideration the student's grade performance, potential for future improvement, ability to fit in with the school's curricular path, and input from the teachers, parents, and student.

Students scoring below 70% are not prepared for new concepts or lessons. In these cases, the teacher has the discretion as to how learning recovery is to be brought about. The instructor may require the student to make lesson corrections, take additional oral assessments, re-take tests to improve scores, produce extra credit work, attend Homework Club, or redo the entire course.

Work submitted late or carelessly completed work needing to be redone will result in a 10% grade reduction for each week. After 3 weeks, work may be zeroed out to remove it from the Missing Work Report. Work received later than 3 weeks, will be received at the discretion of the Academic Dean and will not be deducted a penalty of more than 30%.

306.2 Student Responsibilities:

- Accept responsibilities regarding behavior and academic participation.
- Complete all assigned work.
- Turn in all work in a timely manner.
- Take good care of all school property including classrooms, textbooks, library books, furniture and computers.
- Be on time to class or appointments.

- Ask the teacher for help whenever an assignment is not understood.
- Follow all handbook guidelines for dress, technology and behavior when on campus.

306.3 Grades:

Teachers use the following grading standards for overall course grades:

- 70% HLAs and classroom learning tasks
- 30% quiz and test grades.

306.3.1 General Assignments Grading Criteria

Written HLAs

- 20% Basics
 - 5% - Correct labeling: complete student name, Week assignment is due, & subject (Science, Language Arts, Humanities, or Latin)
 - 10% - Neatness: completed in legible cursive
 - 5% - Format: margins on both sides of the paper & written on every other line
- 20% Conventions
 - Spelling
 - Punctuation
 - Capitalization
 - Correct word usage (i.e., subject-verb agreement, pronoun case)
- 60% Content
 - Vocabulary
 - Sentence structure
 - Thoughts expressed
 - Participation

Cornell note-taking, maps, & drawings

- 10% Basics
 - Correct labeling: complete student name, Week assignment is due, & subject (Science, Language Arts, Humanities, or Latin)
 - Neatness: completed in legible cursive or manuscript for maps, graphs, or charts
 - Correct media (i.e., colored pencils when required)
- 90% Accuracy of information

Recitations

- Number of poetry lines multiplied by 3 & number of prose lines multiplied by 6 = points representing 100%
 - 100% if presentation is perfect & no helps were required
- 10% presentation (posture – standing tall with hands clasped behind back, good enunciation, & eye contact)

306.3.2 Pre-Grammar Grading Policy

ACE does not give “A”, “B”, “C”, and “F” to Pre-Grammar students. Rather, these students receive “P” for “Passing” or “T” for “Try again”.

GRADE DEFINITIONS

90+ = Excellent & on time

80% = Adequate

70% = Minimal

**Teacher-specific definitions of the above requirements will be discussed in class.

TYPES OF ASSIGNMENTS

1) Straight percentage

Some assignments have a set of answers given, and those are most often graded by a straight percentage (for example, 74/80).

2) Written/typed assignments

60% Content

20% Growth/Maturity

20% Loveliness

3) Oral work

15% Pronunciation, Posture, Expression

15% Level of Memorization

70% Accurate Content

4) Participation

Teachers often award points for participation in a variety of ways.

Recitations

Poetry: 100% of grade = Number of lines memorized x 3

Prose: 100% of grade = Number of prose lines x 6

Then, if necessary, up to 10% off for presentation (posture, voice, etc.)

Then, if necessary, 5% off for every help

Then, if necessary, 2.5% off for every pause

WRITTEN FEEDBACK

Assignments also receive written feedback on them from instructors, which are very valuable to students who would like to know how to improve.

COMMUNICATION

Instructors expect students and families to communicate with them about grades, assignments, feedback, and/or to solve challenges that come up. These communications do not affect a student's grade.

306.4 Math Teachers

Math teachers determine students' grades using the following standard:

HLAs (35% of student's total math grade):

- o Students will receive full points on their week's lessons when they come to math class with all of their assigned lessons completed, clearly graded by an adult at home according to the ACE correction policy with proper notations at the top of the page, and all corrections made for incorrect problems at the end of the original work;
- o If students submit work that is either incomplete or complete but not graded, teachers will grade the assignments and the student will be given the raw score earned. This work will be returned for corrections and the grade will be modified once the student has submitted the revised assignment to reflect the corrections up to 100%.

Exit Tickets (15% of student's total math grade):

- o As teachers introduce new concepts in class, students will be provided with a "Exit Ticket" to make sure they are understanding the material and to assist them with completing at-home assignments. These checks may consist of the Lesson Practice portion of the lesson or a supplemental worksheet which will be scored by the teacher during class. These raw scores will be entered into Jupiter Ed, but students can correct any errors and submit to improve their score up to 100%.

Test and Quiz Components: (50% of overall grade)

Weekly Concept Checks (10% of student's total math grade):

Once a week, students will receive short quizzes on the previous week's concepts to check for conceptual understanding and provide quick intervention should misconceptions or process errors arise before these become a habit and challenging to unlearn. These quizzes will be scored, raw scores entered in Jupiter Ed, and students have the ability to correct answers and resubmit to raise the score up to 100%.

Monthly Teacher-Proctored Math Tests (40% of student's total math grade):

- o Only correct answers are given points. Multiple-point questions will be worth the number of tasks within the problem (ie, questions with a) and b) components will be worth two points);
- o Students receive a straight percentage grade -- $\frac{\text{\#correct}}{\text{Total \# problems}} = \% \text{ Correct}$; answers must include correct labels (e.g., km, miles, sq. ft), decimals correctly placed, proper format, etc. Students do not make corrections on monthly summative assessments and retakes are not provided.
- o If a student needs consistent help with concepts, refer the student to the ACE office to obtain the appropriate Saxon Math teaching DVDs.
- o Families may purchase an account through Nicole the Math Lady (<https://nicolethemathlady.com>), and ACE will reimburse the expense out of general funds. This fee does not come from SIF.

Math Gradebook Overview:

HLAs = 35%

Exit Ticket = 15%

Concept Checks (Quiz) = 10%

Monthly Test (Test) = 40%

Until students are in Algebra 2, they are not to use calculators at home or in school to complete work unless specifically assigned by the textbook in a few rare cases.

306.5 Term Report Cards

Term report cards are provided by the student's AD either at a scheduled AIM meeting, by mail, or hand-delivered to the parent.

307 Transportation

Transportation to and from ACE Charter School, elective activities, or instructional events is solely the families' responsibility.

308 Extra-Curricular Activities Eligibility

For students who are residents of the South Lane School District, participation in extra-curricular activities such as athletics is open by following District policy as applicable for any other District student. Out-of-district students must contact the school district in which they reside to obtain information about extra-curricular eligibility.

ACE Eligibility

All ACE students will be eligible for participation in their desired activity with satisfactory scholastic performance. This includes maintaining passing grades in all required classes (70% or higher), demonstrating good personal character, keeping Missing Work Reports under 10 assignments, adhering to the ACE Code of Conduct, and sustaining a satisfactory on-time attendance record with no more than three absences per term.

If one or more of these criteria are not met, the student and their legal guardian will meet with the student's Academic Dean to develop a comprehensive plan to address the infraction. The student will be placed on academic probation for an agreed-upon period of time while the plan is implemented. After the probationary period, the student will either regain eligibility or have their eligibility suspended until the full scope of the criteria is met.

Scheduled Absences

Students will have the opportunity to leave school before the end of the day for the purpose of attending

games or performances with the following procedure requirements:

- When possible, a full schedule of practices, games, rehearsals or performances is to be provided to the student's Academic Dean at the beginning of the season.
- Students may not miss more than four classes per term.
- Additional requests for early release not on the schedule must come from the legal guardian and be delivered to the student's Academic Dean via email no later than 24 hours prior.
- If missing class instruction proves to be challenging for the student to understand content or coursework instructions, the student must agree to meet with the instructor during their weekly office hours for specific tutelage. Failure to participate in office hours may result in academic probation.
- For district level events (i.e., sports, theater fees), families can pay out-of-pocket or use SIF to cover 50% of the fees. ACE will cover the remaining 50%.

309 Student Body Cards

At the beginning of the school year, depending on availability, students may receive an ACE Student Body Card. Replacement cards are typically not available. These cards may be used for a discount at various locations, interscholastic sports, etc.

310 Student Records

Oregon schools maintain two types of student records: academic records and confidential records. The ACE administrative personnel maintain charge of these.

310.1 Student Work Samples

Monthly and/or quarterly student work samples are kept in individual student files. These samples are compiled by the ADs and/or instructors.

310.1.1 Copies of Work Samples

Families should make any desired copies of work prior to submission by the student. Once work samples are filed with ACE, copies of these samples are available to parent at the prepaid cost of twenty-five cents per page and the hourly rate paid to the staff person making the duplicates.

310.1.2 Video Surveillance

ACE authorizes the use of video cameras on school property to ensure the health, welfare and safety of all staff, students and visitors to school property, and to safeguard facilities and equipment.

Video cameras may be used in locations as deemed appropriate by the administration. The school shall notify staff and students through student/parent and staff handbooks that video surveillance may occur on school property. Video footage is stored for 30 days.

Video recording may be used to ensure school policies, administrative regulations, building rules or laws are not violated shall be subject to appropriate disciplinary action. Others may be referred to law enforcement.

A video recording may become a part of a student's educational record or a staff member's personnel record. The school shall comply with all applicable state and federal laws related to record maintenance.

310.2 Parent Notification Regarding Student Records

Upon ACE receiving notification of student enrollment in a different institution and a written request sent directly from the institution, an official transcript or copy of the permanent record is sent to that school. Phone requests from the institution or parental requests will not be honored. Once the official request is received, Oregon state law allows 10 business days before student records must be sent.

Parents may request viewing of video recording and may be charged the hourly rate of the staff person making the duplicates or videos. No electronic copy may be made of surveillance videos either by phone or other recording device during the viewing. Parents may request copies of student records for a prepaid fee of twenty-five cents per page. ACE will provide copies within 45 days of receiving a parent's written request for records. Any behavioral tests in a student's file may only be viewed in the presence of a school psychologist. Families may file a complaint with the Office of the Secretary of Education if they believe ACE Charter School has failed to comply with the requirements of Public School Law 93.380.

Parents may request an appointment with the principal to examine their child's records, and, additionally, have the right to a hearing with ACE staff, should they wish to challenge the content of those records.

310.3 Records Withheld

Nonpayment of school fines or fees, or failure to return all ACE materials, may result in the withholding of student records and grade reports; however, ACE will work with the family and student's new school to supply requested records as soon as possible directly to the school.

311 Withdrawal

Students are officially withdrawn from ACE under the following conditions.

311.1 Parent Initiated

Parent must submit a completed *Withdrawal Form* when removing their student from ACE. Until such time as this form is submitted to the ACE office, the student is considered a member of ACE student body, and all applicable rules apply. After receiving the *Withdrawal Form*, if necessary, the appropriate school district is notified that the student has been withdrawn from ACE.

311.2 ACE Initiated

Withdrawal also occurs when a full-time student is absent two consecutive weeks and does not submit any of their HLA assignments. This is exempted when:

- A note is submitted by a health practitioner or other advisor verifying illness;
or
- In the case of a verifiable serious family emergency.

If other extenuating circumstances persist, families must contact the administration.

Currently enrolled, but not pre-registered, students are officially withdrawn as of June 30th each school year.

311.2.1 Truancy

Students who do not attend or submit required assignments for two weeks will be considered “truant” and appropriate legal measures will be taken with their ESD.

311.3 Email Accounts Closed

Within a few weeks of withdrawing from ACE, family and Dialectic 3, 4 and Rhetoric student G Suite for Education accounts (Gmail, Classroom, Google Drive, etc.) will be closed. Please ensure you have transferred your files immediately, so as not to lose any important records.

311.4 Rhetoric Student Withdrawn

Rhetoric/high school students withdrawn before successfully completing a term will receive an “Incomplete” on their transcripts for that term’s classes; no credit will be awarded for any class not successfully completed.

400 SPECIAL NEEDS STUDENTS

Resident school district, parent, and staff following South Lane School District procedures perform “Child Find” (identifying students with possible special needs).

When a student qualifies for special education (SPED), ACE follows South Lane School District policy regarding the student’s Individual Education Plan (IEP) Placement. IEP goals are discussed during AIM meetings at the onset of the enrollment process. Due to the unique structure of ACE (school days on campus and at home), not all students will be successful and have their specific special needs addressed.

Components of the Special Education program at ACE include:

1. In order to receive the full academic curriculum, students must have home support.
2. Students must pass classes with a C (ACE does not give Ds). See grading policy 306.
3. Speech and Occupational Therapy services are provided via an online platform and not in person. Families work with the Speech Language Pathologist to determine meeting dates. For each no show or cancellation by the family, ACE families are charged the rate of the session (\$90/session), which is deducted from the students’ SIF account.

4. Limited behavioral supports are available.

5. Reading and math supports are available on site and not provided in the home.

Other schools in the district that offer more in-person time may prove to be a better option for students not able to complete work at home.

Parents wanting to initiate any services for their student must contact Mrs. Sahnou, ACE Special Education Coordinator.

401 Child Find Process

If a student is believed to have a disability, the following measures are taken:

- ACE is notified and, from parent, written consent obtained to evaluate student;
- IEP Team meets to determine student's eligibility, develop IEP, and determine appropriate placement;
- ACE must get written parental consent for IEP & initial placement in special education. Parental refusal may result in ACE resolution attempts but may not include ACE request for due process hearing.
- Until students are identified as special education or 504 (Americans with Disabilities Section 504), they are required to complete all work as assigned by their instructor unless otherwise approved by their AD.

402 Previously Identified Students

For previously identified students new to ACE, ACE takes the following measures:

- Requests student's regular and special education records and follows ACE's procedures to attend an IEP meeting conducted using conference calls, video conferencing, or face-to-face conferences;
- Unless excused, IEP meetings must include the following IEP/Placement Team participants: ACE representative, parent/family member(s), student's special education teacher or provider, and instructional evaluation interpreter;
- If recommended, parents/family, other individuals possessing expertise or knowledge may also attend IEP meetings;
- IEP/Placement Team participants review, revise, and document (using ODE approved form) student's current IEP to address student's special education & service needs including adapted instruction, supplementary aids and services, modifications, and accommodations to allow student to benefit from the ACE curriculum;
- IEP meeting culminates with the team determining appropriate student placement.

Parents may choose to opt out of services by signing special education refusal forms.

403 School District Provides Services

Using its own employees, qualified independent contractors, qualified charter school staff, or a combination of these, ACE arranges special education services as outlined in student's IEP, and, along with the Academy for Character Education, maintains applicable student records.

404 Special Education and 504 Students' Work

As determined by the student's IEP or 504 team and ACE staff, special needs student's work is adjusted as necessary.

405 Special Education Student Behavior

Unless otherwise specifically exempted by their written IEP, SPED students must behave according to the ACE expected code of conduct as chronicled in the character traits.

500 SCHOOL DAY SCHEDULE

Classes are held on Tuesdays - Thursdays for three consecutive weeks followed by one week off (December's Christmas break & March's spring break is two weeks) from September through June.

501 Dress Code

Uniforms have been adopted by ACE to encourage a tasteful and modest learning environment. On Tuesday -Thursday between 8:00 AM and 4:30 PM, students on campus must be in uniform; waivers will only be granted by administration if extenuating circumstance(s) necessitate any clothing change. On Tuesdays, students wear the ACE-provided professional uniform (grey polo or white oxford, sweater or blazer). On Wednesdays, students wear ACE-provided t-shirts or sweatshirts. On Thursdays, students wear ACE-provided polos to coordinate with their team colors. On all days, students are to wear nice black dress bottoms that match the ACE-provided bottoms (non-ripped pants or skirt; no leggings/skinny pants; no jean material). Any belt, hosiery or shoe color/style is acceptable. Students may not wear outerwear during classes (no sweatshirts or jackets other than ACE-provided). Students may wear outerwear outside during breaks. All outerwear should be free from slogans, images/graphics, or phrases. Merchandise logos are acceptable (name of company producing item).

Seniors have the option of wearing business attire instead of the regular uniform. If seniors do not have business attire, they are to wear their regular school uniform. Business attire consists of the following:

Button-up shirts
Khakis or dress pants
Polos

Sweaters

Tucked in shirt with belt

Skirts/dresses knee length or below (no slits past 1 hand above the knee)

Well-kept shoes

Not Business attire:

Shorts/capris

Jeans

T-Shirts

Hoodies

Leggings/yoga pants

Athletic wear of any kind

Pre-Grammar & Grammar students will wear grey polo (Tuesdays) or colored House polo (Thursdays); black pleated skirt/jumper, shorts or pants; red sweater

Dialectic – Rhetoric will wear white oxford shirt & tie (Tuesdays) or colored House polo (Thursdays); black skirt, shorts, or pants

Dialectic 1 & 2 will wear red sweaters (only required during Character Assembly on Tuesdays).

Dialectic 3 - Rhetoric will wear red blazers (only required during Character Assembly on Tuesdays).

ACE provides, at no cost to the family, two complete school uniforms each year. All uniform pieces remain the property of ACE & must be returned by June 30 of each school year (unless student will be wearing the uniform in the following school year). A student not completing the entire school year must return their complete uniform in reusable condition.

If replacement pieces are needed during the school year, and ACE has stock on hand, families may trade for new uniform pieces directly from the school. If ACE does not have the needed items, families may order directly from the uniform companies or wait for ACE to order needed items.

Other Dress Code information to note on uniform days:

- Leggings may be worn under skirts (leggings may not be worn alone as “pants”).
- No hats/head coverings unless worn for religious or medical reasons.
- Should a student arrive minus uniform, staff will provide uniform pieces for students to dress themselves in.
- Unless otherwise notified, all extra events/days are “No Uniform Required” days, except for the Year-End program & Off Campus Week/Homework Club. Modest casual attire is permitted at these events.

502 School Supplies

To most effectively and efficiently school at home, before the start of school ACE will send a recommended supply list to families to aid students in completing their weekly Home-Linked Assignments.

ACE supplies all books and HLA folders. Families should provide these additional school supplies before Week 1 for their students to successfully complete their assignments.

503 Emergency Closures & Drills

In the event of possible school closure, ACE will send out an announcement through JupiterEd. You may also call the school office to determine school closure. ACE does not follow the South Lane School District closure policy, due to our later start time. We typically do not cancel school, but ask families to only commute to the building if it is safe for them. We do not give students tardies or unexcused absences on days when travel is difficult due to the weather.

Emergency evacuation plans are posted in each classroom. As required by the Oregon Department of Education, fire and earthquake drills are periodically performed throughout the school year.

503.1 Fire Drill Procedure

- When the fire alarm sounds, students quickly form a line and leave the facility by the nearest exit.
- ADs walk with the class; classroom aides check bathrooms and other rooms for occupancy.
- Students must assemble in the field or parking lot as directed. They should be grouped with their classmates to facilitate roll by their AD.
- When released, students are to return to the building in an orderly fashion.

504 Attendance

ACE operates thirty-two weeks (Tuesdays-Thursdays) per year: Orientation, classes, placement testing & AIMS meetings. School attendance is mandatory (see allowed exceptions listed in the handbook). Field trips are special privileges and optional.

504.1 Excused Student Absence Procedure

Unless approved or on a modified schedule, students must attend classes. Lack of participation due to absence will be reflected in grades. In the event of illness or emergency resulting in non-attendance, the parent must notify the school office by noon; a message recorded on the answer machine is considered notification. When this notification occurs, the absence will be excused.

When an absence of two weeks occurs due to serious illness, a doctor or advisor's note is required. HLAs for those weeks are due within 10 days of the student's return to school.

504.1.1 Students Not To Attend School

A student should not come to school if student has any of the following signs or symptoms:

- Fever over 99.9F
- Vomiting
- Diarrhea (more than one abnormally loose stool in one day, with or without fever)
- Severe or sustained cough
- Difficulty breathing or shortness of breath
- Skin lesions, eye lesions, or rashes that are “weepy” (fluid or pus filled)
- Contagious rash
- Colored drainage from eyes or ears
- Jaundice (yellow color of skin or eyes)
- Complaint of stiff neck or headache with any of the above symptoms
- Head lice

504.1.1.1 Covid-19:

See ACE Communicable Disease Plan for more information. Each school day students and staff will be asked to self-screen at home answering the following questions:

The screening questions are as follows:

1. In the past 14 days have you or anyone in your household had either of these symptoms: cough, shortness of breath, or difficulty breathing?
2. In the past 14 days have you or anyone in your household had at least 2 of these symptoms: Fever, chills, shaking with chills, muscle pain, headaches, sore throat, nausea, vomiting, diarrhea, or new loss of taste or smell?
3. Have you had any known close contact (less than 6 ft of distance) with someone who has tested positive for COVID in the last 14 days?
4. Have you tested positive for COVID in the last 14 days?

If any of the above questions are positive, you will be asked to stay home and follow current Covid policies until free from illness.

ACE will be following the guidelines for staff and students put into place by the Oregon Department of Education.

504.1.1.1 Head Lice:

School Procedure for Pediculosis (Head Lice):

1. A student found to have live lice or untreated nits will be sent home immediately. Treatment information, school requirements and readmittance provisions will be provided to the parent. Parents will be advised to:
 1. Use a lice-killing agent on all family members who have symptoms of infestation.

2. Follow the personal and household cleaning instruction provided by the health-care provider, school nurse, or local health authority.
3. Remove all nits after treatment.
2. Following treatment, the student may be readmitted to school;
3. Parents must either accompany their student to school for readmittance or provide a signed statement that treatment has been completed;
4. The student will be subject to screening by the school administrator or designated personnel to determine the treatment's effectiveness. The student will be readmitted to school or denied admittance, as appropriate. The absence of nits is required for readmittance. In the event the student is not readmitted the parent will be notified;
5. Students readmitted will be subject to follow-up screening by the administrator or designated personnel;
6. Parents who identify head lice on their student at home are to complete treatment prior to the readmission of their student, as required above. Parents are also encouraged to notify the school of their student's condition so that appropriate preventative measure may be implemented at school. Names will be held in confidence;

504.1.2 Medications/First Aid

Families should administer any medications; however, if the parent is not available, the office staff, with written and signed instructions from the parent, may administer a medication. Prescription medicine must be sent in the original bottle, with the label prepared by the pharmacist and must include the following information: name of student, name of medication, dosage, route, frequency of administration, and any other special instructions. The Office Manager will complete the medicine log and maintain student confidentiality in regard to medicines; medications are placed in a locked cabinet. ACE personnel provide first aid in the absence or inability of parents.

504.1.3 Student Medication Administration:

- The school does not supply any drugs including aspirin or Tylenol.
- Soap, water, band-aids and ice are available for injuries.
- Over-the-counter drugs or prescription drugs for students must be stored in the office and dispensed by the Office Manager. A medication form must be completed and signed by the parent prior to any medications being dispensed.

504.2 Sick at School

If a student becomes ill at school, and no parent is present, the ACE staff will phone those numbers recorded on the student's Emergency Form. The student will be removed from contact with other children until family arrives.

504.3 Non-Excused Student Absence

All absences are unexcused except for documented illness or serious family emergency. Family trips are unexcused unless a completed *Prearranged Absence Form* is submitted to the AD. On this form, ADs will require students to obtain signatures from their classroom teachers stating required submission date for HLAs and any additional work to be completed in lieu of classroom participation.

504.4 Absentee Assignments

Students returning to school after an absence are responsible to submit all HLAs for the week(s) of their absence and those HLAs currently due. Weekly HLA assignments are available on the ACE website.

505 Tardiness

Tuesdays-Thursdays: Students may arrive between 8:20-8:40 a.m. in order to submit their HLAs and be prepared to begin class at 8:45 a.m.

Those arriving on time will receive the appropriate character grade points. Students are considered tardy if they have not checked in with their AD by 8:45 AM.

505.1 Excused Tardy

Tardies are only excused for emergencies. A tardy student must be accompanied by his parent to the school office. A tardy is excused if caused by extenuating circumstances out of one's control (e.g., flat tire, car not starting).

505.2 Tardy Procedures:

1. Student's AD is notified and office attendance chart records tardy.
2. Tardy is noted in student's attendance record on JupiterEd.

506 Locked/Closed Campus

ACE operates a locked and closed campus. Until classes are over, students are not permitted to leave the premises unless picked up by parent/guardian. Electronic codes are provided to families to enter the premises; for security purposes, codes will be changed weekly and should not be given out.

507 Visitors

Guests are welcome to attend classes under the following guidelines:

507.1 Parents

Parents are welcome to attend all classes; it has been documented that family involvement is directly linked to student academic success. To avoid interference with instruction, while class is in session, parents are asked not to interact with their children without the explicit permission of the instructors. Teachers and administration will communicate with parents if there are issues regarding this policy.

507.2 Unregistered Siblings

Whenever parents attend classes with registered children's siblings, those siblings must not be allowed to hinder the academic atmosphere of the classes. Siblings must be under the direct supervision of an adult. Parents will receive notice if their child is distracting and noisy. Parents may be asked to take the child out of class if distractions persist. At all times, parents must remain with any child of theirs not attending classes; children are never to be left alone in any part of the facility.

507.3 Non-ACE Visitors

After making pre-arrangements with the administration, guests are welcome to visit the school. Visitors must sign in and out of the "Visitors' Log" and wear a "Visitor" name tag which is provided by the Office Manager. To protect our educational environment, restrictions to classroom access may be applied.

508 Electronic Devices & Phone Use

Non-ACE-issued electronic devices, including cell phones and smart devices, are not permitted to be used by students on the school premises without Academic Dean approval. If students have cell phones and smart devices with them, these are to be kept in students' backpacks or checked in upon arrival to the office (PR-D3) or to the Rhetoric Director (Rh students). Cell phones and smart devices may be checked out at the end of the school day. Students should not have cell phones or smart devices out at any time during the school day. Students may have laptops and Chromebooks for school use only. No social media, chatting, gaming, or other non-related school usage should occur during the school day. In the event of an emergency, phone the school office to have a message conveyed to a student. Students will ONLY be allowed to use the school phone for emergencies. Parents are requested to turn phones to vibrate and only take calls outside of classrooms so as not to disturb instruction.

509 Schedule

Tuesdays - Thursdays schedule will be based on specific trivium levels.

509.1 Lunch, Snacks, and Birthday Parties

Students bring their own snacks and cold lunches to classes (microwaving is not convenient due to the short lunch break). Students are to bring a non-messy mid-morning snack. A student forgetting their lunch or snack may have one provided, if available.

K-8 students: Only water bottles may be kept at student desks during class.

509.1.1 Birthday Parties

Should a parent desire to give a small party to their child, parent should contact the child's AD to make the arrangements. Generally, this event will be held in the student's classroom during the morning or lunch break and will consist of small treats or cupcakes along with any simple decorations the family wishes to provide for the teacher to set up. Due to some students' allergies, it is imperative that, in advance, the menu be made known to the AD.

509.2 Homework Club

In an effort to assist all students in succeeding academically, ACE provides Homework Club to specific levels (check with Academic Dean) on Thursdays from 3:30 until 4:30 p.m., as well as Off Campus Week/Homework Club. Students may attend voluntarily to receive assistance or be assigned to Homework Club by their AD or math teacher. Occasionally, as needed, extra Homework Clubs will be provided and students with missing work will be invited to attend those clubs.

Any student with failing grades from the previous term will automatically be assigned Homework Club attendance for the next term until student is excused by their AD. Students assigned to Homework Club must remain for the entire time unless excused by the student's AD. Even if it only takes a few minutes for the student to complete any missing work or re-take a test, a student is remanded to Homework Club for the entire hour, unless released by the student's AD. Remaining in Homework Club to begin newly assigned work provides an incentive for students to use their checklists to carefully review their work for completeness. Students who are assigned to retake quizzes or tests will be encouraged to spend more time studying.

In addition, students that need more time to complete assignments or need reading or math tutoring will be given teacher supported assistance during the regular school day.

Off Campus Week/Homework Club is required for any student with missing HLAs at the end of a three-week cycle unless excused by the students' AD. See ACE calendar for dates and times of Homework Club. Students attending Homework Club must wear their uniform.

509.3 Extra-Curricular Electives

Students are encouraged to utilize SIF monies for individual electives if academic assistance is not needed.

510 Character Chore Assignment

Students are assigned duties to be performed each Tuesday and Thursday by their Academic Dean. Each student will receive a job description including time to be performed (before, during, or after school), and any necessary supplies and where those are located. The Academic Dean will confirm jobs have been completed. Failure to complete character chores may result in a lowered Character class grade.

511 Code of Conduct

ACE maintains a strict code of conduct for all members of its learning community. Punctuality, attentiveness, obedience, respect, and self-discipline must be exhibited. Stealing, lying, cheating, and profanity are unacceptable at ACE. Romantic relationships and public displays of affection are not allowed. The school is a place of high integrity and in keeping with the philosophy of the school, any breach of this Honor Code may result in serious consequences.

- Stealing involves taking something that belongs to another without his knowledge and prior explicit permission.
- Lying is the intentional misrepresentation of facts for personal gain, or in order to protect the interests of others.

2025-2026 ACE Handbook

- Cheating is any form of academic dishonesty. It occurs when one uses and takes credit for the work of another person, whether the material be directly copied or superficially disguised (plagiarism). Cheating also includes the divulgence of the contents of a graded evaluation.
- Profanity/swearing/cursing/cussing is socially offensive language, which may also be called bad language, strong language, offensive language, crude language, coarse language, foul language, bad words, blasphemous language, vulgar language, lewd language, choice words or expletives.
- Destruction of property refers to destroying, painting, tearing apart, ruining or otherwise making school property unusable.
- Harassment, intimidation or bullying means physically harming a student or damaging a student's property; knowingly placing a student in reasonable fear of physical harm to the student or damage to the student's property; or creating a hostile educational environment.
- Zero tolerance of alcohol, tobacco, drugs, and weapons means that students may not have any of these items (real or perceived) on campus. No exceptions are made for minor infractions and consequences will be immediate due to the mandatory reporting laws.
- Zero tolerance for sexual harassment due to the mandatory reporting laws.

As a school of character, all students are expected to behave in an honorable and respectable manner, which includes speaking up when they witness something that might be in opposition to the Code of Conduct. Bystanders, students who are present at an event or incident but do not take place in the event, are encouraged to speak up and notify administration if they are aware of any incidents that are opposed to the Code of Conduct. In the event bystander behavior allowed a breach in the school's policies, the consequences would be adjusted and determined by ACE administration. Bystanders' privacy will be maintained, and they will not be punished for reporting incidents.

It is ACE's intent that this Honor Code makes each student responsible for his or her own actions, constantly reminding us of the value of good judgment and of the importance of absolute integrity in all areas of life. Students are subject to discipline for conduct at school, school-sponsored events, and whenever such conduct causes a substantial and material disruption of the educational environment or the invasion of rights of others. ACE seeks to ensure a school climate which is appropriate for learning and which assures the safety and welfare of personnel and students. Administration will develop procedures whereby those students who disrupt the educational setting or who endanger the safety (real or perceived) of others, will be subject to disciplinary sanctions that are age and situationally appropriate. ACE will use approaches that are shown through research to be effective to correct behavioral problems, while supporting a students' attendance to school and classes. Examples include, but are not limited to, reprimands, conferences, detention and denial of participation in cocurricular and extracurricular activities. Titles and/or privileges available to or granted to students may be denied and/or revoked (e.g., valedictorian, salutatorian, student body, class or club office positions, field trips, senior events, Academy Ball, etc.). Administration may propose alternative programs of instruction or instruction combined with counseling prior to a student's expulsion or a student leaving school in accordance with law.

The school shall enforce consistently, fairly and without bias all student conduct policies, administrative regulations and school rules. A student whose conduct or condition is seriously detrimental to the school's

best interests may be suspended. Students may be expelled for any of the following circumstances: a) when a student's conduct poses a threat to the health or safety of students or employees; b) when other strategies to change the student's behavior have been ineffective, except that expulsion may not be used to address truancy; or c) when required by law. The school shall consider the age of the student and the student's past pattern of behavior prior to imposing the suspension or expulsion.

The school will ensure careful consideration of the rights and needs of the individual concerned, as well as the best interests of other students and the school program as a whole.

Students must complete their assigned work as part of the Code of Conduct. Consistently missing or incomplete work will result in special attention and supports.

Should a breach of the Honor Code occur, the administration in conjunction with the instructor and/or Academic Dean will determine the appropriate course of action. Each breach (past steps 1 & 2) is documented and the record retained in the student's file.

511.1 Reporting

The school administration will take reports and conduct a prompt investigation of any reported acts in opposition to the Code of Conduct.

511.2 Parent Notification

When an infraction involving weapons, drugs, or sexual misconduct (real, counterfeit, or alleged) is brought to the attention of the administration, parents will be immediately, by the end of the school day, contacted to discuss the issue with their student and the administration.

511.1.0 Discipline Steps (5115. Skips to step #4)

1. **Reminder:** The student will be reminded if student is off-task and/or breaking a classroom rule. The specific character trait involved will generally be referenced. Staff will refer to Classroom Behavior Interventions for assistance and focus on positive behaviors and rewards.
2. **Warning:** If the negative behavior continues, the teacher will determine an appropriate consequence. Staff will refer to Classroom Behavior Interventions for assistance.
3. **Processing:** If the behavior remains unacceptable, the teacher will discuss the issue with administration and, if needed, the student will be removed from class and accompanied to the office where an *Incident Report* may be completed by the office staff. An administrator, along with the student's AD, will determine the appropriate disciplinary action.
4. **Probation:** Also, at this time, the student may be placed on probation if the Principal and classroom teacher determine the infraction merits such action. Probation will result in the separation of the student from the classroom to work individually on assigned work. The parent will be notified of the student's probation.

5. **Suspension:** Two or more incident reports filed within one term or willful disobedience are grounds for suspension. Students may be suspended for up to ten days. The ACE Charter School staff will decide on an appropriate length of suspension.
6. **Expulsion:** Open defiance of a teacher's authority, willful disobedience, leaving the school grounds without permission, violent behavior compromising the safety of students or staff, possession or use of dangerous weapons including guns and knives, use or possession of tobacco, alcohol, or drugs, or vandalism and theft are grounds for immediate suspension and subsequent expulsion from ACE. The civil authorities will be immediately contacted in the event of an attack on another person, the use or possession of illegal substances, possession or use of a dangerous weapon, and vandalism or theft.

Disciplinary actions for all infractions may include in-school or out-of-school suspensions, cancellation of electives, restriction from attendance at instructional events or field trips, assigning additional character assignments, expulsion, etc.

511.2 Suspension and Expulsion

Discipline involving suspension (in-school and expulsion shall be administered according to Oregon law. ACE will follow the guidelines of expulsion as defined by District policy.

Based on ORS 339.250, the administration has complete authority to issue a suspension. In the event of a suspension, the administration shall notify the parents by letter within three days regarding the cause for suspension. A meeting with the parents, student, administration, and a board member shall be scheduled within three days of the suspension. The suspension shall not exceed ten days as allowed by Oregon law. The time limitations in this section are based on school days. When a suspension is exercised, the administration will notify the Charter School Board and the South Lane School District.

Suspended students may not be on ACE grounds.

511.2.1 In School Suspension/Probation

In-School Suspension (ISS) is a disciplinary program aiming at behavior management allowing students to remain in a learning environment while isolated from the rest of the student body. The main goal of ISS is to have students stay caught up on work and get help with any difficulties they are having. Any student assigned to ISS who refuses to cooperate with all the rules and limits of the program will be suspended out-of-school.

1. In-school suspension will be held in a controlled and restricted atmosphere (ISS room).
2. Notification of suspension will be provided to all teachers.
3. Assignments to complete during ISS will consist of daily classwork, including tests. Students will receive credit for all work completed.
4. A quiet restricted atmosphere will be maintained at all times in the ISS room. No unnecessary talking or movement from assigned seating will be allowed.

5. Students assigned to ISS will be assigned a specific desk. The student may not leave the assigned desk without permission from the ISS monitor.
6. Students will not be allowed to talk or communicate with anyone, for any reason, except the ISS monitor and only when spoken to. This also applies during lunch, bathroom breaks, and in the halls.
7. Students assigned to ISS will not eat or drink anything during instructional time. Students assigned to ISS will eat lunch in the ISS room.
8. Students assigned to ISS will not be allowed to sleep or lay their heads down on their desks.
9. Students assigned to ISS will complete all assigned work.
10. Students absent on assigned ISS day will be required to make up time immediately upon returning to school.
11. Students assigned to ISS will address the ISS monitor and all other staff respectfully at all times.

The in-school suspension monitor will review expectations at the beginning of each day. Students will read and sign to indicated understanding of the expectations. If a student does not follow expectations in-school suspension, the student will be suspended out-of school.

511.3 Cheating

Cheating is considered a very serious offense. ACE considers it both stealing (taking answers that belong to someone else) and lying (presenting those stolen answers as if they were the student's own). The process for dealing with cheating is as follows:

- First offense: Family decides how to handle the cheating.
- Second offense: In a face-to-face encounter, the offending student must admit to the teacher and/or Academic Dean that student stole and lied, apologize for doing so, and verbally commit not to repeat the offenses.
- Subsequent offenses: the offending student must admit to student's teacher and/or Academic Dean that student stole and lied, apologize for doing so, and verbally commit not to repeat the offenses; in addition
 - In a face-to-face encounter,
 - Pre-Grammar through Grammar: the student, before 1) principal (third offense) & 2) students' classmates (fourth offense), must admit that student stole and lied, apologize for doing so, and verbally commit not to repeat the offenses.
 - Dialectic 1 through Rhetoric: the student, before 1) principal (third offense), 2) students' classmates (fourth offense); 3) in Character Assembly before the entire student body (fifth offense), must admit that student stole and lied, apologize for doing so, and verbally commit not to repeat the offenses.

In all cases of cheating/plagiarism, all stolen work must be completely redone.

511.4 Pranks

We maintain a zero-tolerance policy towards any prank that could potentially harm individuals, damage school property, or disrupt school operations. Students involved in prank activities may be subject to discipline pursuant to the disciplinary steps in this Handbook. ACE does not tolerate pranks of any kind at

any time that interfere with the learning environment and present danger to people or property. This means that even seemingly harmless pranks can result in consequences.

511.5 Alcohol, Tobacco, and other Drugs

The school's goal of zero tolerance for drug possession and use by students is maintained for all students' safety. Possession, use, intoxication, or distribution of, or any attempt to use or distribute, 1) alcohol; 2) tobacco or tobacco products, including electronic cigarettes and vaping devices; 3) any illegal or controlled substance or drugs; 4) any look-alike drug; or 5) drug paraphernalia is prohibited in school buildings, on school grounds, in school vehicles, or at any school-sponsored or school-related event or activity. Controlled substances include lawful drugs and prescription drugs not used or intended to be used in accordance with the prescription and over-the-counter drugs not used or intended to be used as directed.

Any substances retrieved or found in the possession of students will be confiscated and locked for disposal. ACE does not test unknown substances.

Students in violation of this policy may be subject to disciplinary consequences, from one – three days suspension depending on severity of the situation, for first time offenders. In the event of a second offense, law enforcement will be contacted and/or the student will be referred to an off-site treatment program. In addition to instituting disciplinary proceedings, school officials will also deny a student's attendance at any school program or function if the student appears to be under the influence of any prohibited substance as set forth in this policy, or who are in possession of such prohibited substances.

511.5 Bullying, Harassment, Intimidation

ACE recognizes the harmful effects of bullying (intentional, repeated, aggressive behavior) on student learning and school attendance and desires to provide safe school environments that protect students from physical and emotional harm. Every student is entitled to a safe school environment free from bullying, including, but not limited to, discrimination, harassment and intimidation based on actual or perceived characteristics. ACE staff shall establish student safety as a high priority and shall not tolerate bullying of any student. No student or group of students shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, cyberbully, cause bodily injury to, or commit hate violence against any other student or school personnel. These acts should be brought to the attention of the Academic Dean and/or other appropriate school personnel. All complaints will be considered confidential. However, it may be necessary to disclose certain information in order to effectively investigate. Students who violate the policies on discrimination, harassment, intimidation and bullying may be subject to discipline, including suspension and expulsion.

If deemed appropriate when a conflict occurs between students, the following guidelines will be followed to resolve this conflict:

1. Schedule a meeting with the teacher and students.

2. All students involved in the conflict will meet with the teacher and/or administrator.
3. Students will follow the advice of the teacher to resolve the conflict.
4. Students will make an agreement with the teacher on behavior.
5. The teacher will contact the parents.
6. If needed, students will be sent to the office.

511.5.1 Oregon Law

Under Oregon law, “harassment, intimidation or bullying” means any act that:

- (a) Substantially interferes with a student’s educational benefits, opportunities or performance;
- (b) Takes place on or immediately adjacent to school grounds, at any school-sponsored activity, on school-provided transportation or at any official school bus stop;
- (c) Has the effect of:
 - (A) Physically harming a student or damaging a student’s property;
 - (B) Knowingly placing a student in reasonable fear of physical harm to the student or damage to the student’s property; or
 - (C) Creating a hostile educational environment, including interfering with the psychological well-being of a student; and
- (d) May be based on, but not be limited to, the protected class status of a person. Oregon law goes on to define “protected class” as a group of persons distinguished, or perceived to be distinguished, by race, color, religion, sex, gender identity, sexual orientation, national origin, marital status, familial status, source of income or disability.

For all situations not specifically addressed herein, ACE follows the South Lane School District’s code of conduct.

511.4.2 Title IX Coordinator

The Title IX Coordinator, Mrs. Sahnaw, should be notified when a grievance has occurred in discrimination (see section 105), policy dissemination, and other procedures relating to the Code of Conduct.

511.5 Mandatory Reporting of Physical Abuse

As required by law, any student observed physically “abusing” (tripping, hitting, harming, or otherwise physically mistreating) any other person, even a sibling, while on ACE premises, will be reported for abuse to the Cottage Grove Police Department and/or Department of Human Services.

512 After-School Student Supervision

No student or student’s sibling may remain in the ACE facility or be present on the school grounds after school unless he/she is attending an after-school elective or is under the **direct supervision** of students’ parent or other approved adult.

Unsupervised students will be escorted to their classroom until their specified parent/guardian picks them up.

513 Home-Linked Assignments

Pre-Grammar students receive weekly HLAs consisting of: Character, Science, Math, and Language Arts. Grammar – Rhetoric students receive weekly HLAs consisting of: Character, Science, Math, Language Arts, Humanities, and Latin. Students may collect a hard copy of the HLAs; the on-line version is available via the ACE website. These assignment listings include the week due.

On Tuesday and Thursday by 8:45 AM, students must submit all HLA assignments; these should be enclosed in the correct color-coded folder and placed in the appropriate HLA box located in each classroom.

All submitted work must be neat, correctly labeled, and, unless otherwise pre-arranged with the AD, in the student's own handwriting. Scratched-out answers and misspelled words are unacceptable. If a family does not own a dictionary, ACE will supply one. When misspellings are prevalent throughout an assignment, the student may be asked to redo it. Work not completed as assigned will be considered missing.

Work submitted late will result in a 10% grade reduction for each week late. This is also applicable for carelessly completed work needing to be redone. See 307 for additional information on grading.

At the beginning of every school year, HLAs are reduced for all students to allow them to adjust to ACE's rigorous curriculum. Students enrolling in ACE after September will have their HLA workload adjusted to allow them to ease into ACE's academically challenging program. Each individual assignment will be reduced.

- First 3-week cycle 50%
- Second 3-week cycle 75%, unless student demonstrates ability to complete 100%

Parents seeking adjustments to their student's curriculum or workload must complete any required ACE documents and have alterations approved by the student's AD and ACE administration.

Special Education and 504 student's work will be adjusted by the members of their respective teams and ACE staff (see 404).

513.1 HLA Assistance

Each week, ACE administration will contact students by phone or email to verify student understands weekly HLAs. Students are required to let school staff know what specific assistance they require.

A student needing additional assistance in math or Latin will receive an online subscription (Classical Academic Press or Nicole the Math Lady), or DVD of the program to assist student with comprehension.

In order to provide additional support to students, parents will be required to attend tutoring or class instruction to learn how to best monitor and supervise HLA completion at home.

513.2 Incomplete HLA Assignments

Assignments are due on the week listed on the HLA sheet. Missing assignments are recorded as such in ACE's on-line grading system. Failure to submit any assignments for a given week results in student being assigned to Homework Club; only a student's AD may release them from Homework Club.

In addition, any student chronically missing assignments will be required to utilize student's SIF monies exclusively for additional academic assistance. Academic Deans and the administration may also assign character projects, require parental signature on HLA forms to verify parent is aware of missing or incomplete assignments, assign in-school suspension, and/or take whatever other additional measures they deem necessary to motivate the student to seriously apply to their education.

600 Rewards & Recognition

601 Supplemental Instructional Funds

We desire that all ACE students be characterized by excellence. Thus, students earn funds during September through May (9 months/year) and are able to access these funds from October through June. Students receive monthly Supplemental Instructional Funds if at the end of each three-week cycle, their previous cycle's work was completed. This work requirement includes the following:

- All assigned HLAs are current as of 4th Tuesday submissions;
- As of the Sunday following 4th Tuesday, all math lessons assigned by math teacher are current verifying student is on schedule;
- As of the Sunday following 4th Tuesday, all subject grades are 70% or higher.

Funds not earned in a month are forfeited unless ACE arranges to pay for additional instruction from qualified certified teacher or qualified registered charter school teacher for the purpose of getting the student caught up or to bring grades up to passing.

Funds may be used by families in the following 3 ways:

- 1) For extra-curricular instruction:
 - For successfully completed high school credit class (official transcript must be submitted), to register & pay test fees (fees vary) for a qualified person to become a teacher to provide instruction in an NCES coded subject;
 - to reimburse a family for a qualified person to give ACE student **instruction** (supplies are not reimbursable) in NCES coded subject;
 - Family must submit hard copy receipts with required information- ACE receipt & receipt from instructor (ACE receipt & instructor receipt must match).
- 2) Supplemental academic materials associated with ACE curriculum, recommended by AD (for example: Latin streaming subscription, Saxon math video subscription, or manipulatives).
- 3) Supplemental school materials can be purchased (online book subscriptions, library card, musical instrument; dance/sports equipment; arts & craft supplies, pe equipment, school

2025-2026 ACE Handbook

desk/classroom set up, technology devices used for school assignments). Fees for district sports can be paid out of SIF. Clarifying approved reimbursements before purchasing items is recommended.

4) For fees related to single/one-time entry (ACE students and parent admission only) into educational event or facility tied directly to instruction student is receiving from qualified certified teacher or qualified registered charter school teacher:

- o Art museum, concert, ballet, OMSI, Oregon Coast Aquarium, etc.
- o Receipt from location required & ACE receipt.

5) To cover the cost of missed online speech therapy sessions when no make-up session is made, as per Presence Learning requirements.

6) To cover the cost of missed Wednesday Special Education sessions on campus.

**ACE is unable to provide SIF funds for any faith-based instruction, curriculum, supplemental learning materials or activities.*

What is not reimbursable? This is NOT a comprehensive list. If you are uncertain if something will qualify for reimbursement, please contact the Principal before purchasing and/or submitting your request for reimbursement.

- Faith based or religious mentoring, resources or curriculum: If the curriculum, publisher, organization or facility advertises that it contains faith-based activities/instruction/materials then it does not qualify for reimbursement.
- Fees paid to/for a religiously affiliated co-op program
- Clothing or shoes unless item is specific to a sport and can only be worn for that sport
- Supplies purchased to resell or to use for financial gain
- Animals or animal food, unless related to science class
- Plants (seeds may be purchased for studying plant life cycle and horticulture)
- Food for consumption (some food items may be approved for educational activities such as science experiments)
- Phones & Smart Watches
- Electronic gaming systems for recreational use (educational games are allowable)
- Fuel /Lodging /Transportation Expenses
- Theme parks that contain rides
- Medical equipment
- Mechanical/automotive parts/supplies unless student is taking mechanical/automotive elective course
- Vehicle frames, racks, trailers, or other apparatus related to transporting bikes, canoes, skis, etc.

During the year a student's SIF account may be used to pay for ACE-sponsored field trips (i.e., family entrance fees), replacement uniform pieces, library fees, teacher pay and materials for individualized classes arranged by ACE to be held for a student(s), etc.

2025-2026 ACE Handbook

If a student or parent has field trip fees paid for by ACE & then the student or parent fails to attend the event, the student's SIF account will be charged the amount of the fees paid by ACE. Additionally, this applies to non-ACE siblings and guest fees paid from ACE.

Families may verify monthly amounts (including carryover) by reviewing SIF documents online. By the 25th of the month following qualification, funds will be distributed incrementally from October through June. Receipts for both May and June may be submitted by the June deadline.

SIF accumulates each month and can be used throughout the year until the student withdraws. Families of withdrawn students have 30 days following withdrawal to submit all paperwork necessary to receive reimbursement from student's SIF account; no funds will be distributed after that date. Reimbursements will not be paid until all books, materials, and uniforms are returned for students withdrawing mid-year.

AVAILABLE FUNDS:

Kindergarten: A= \$40.00/month

Grades 1-8: A= \$55.00/month

Grades 9-12: \$75.00/month

*To use funds, submit the following by the date listed on the calendar:

1. Official ACE Cover Sheet (Form 23)
2. Dated receipt from instructor, event, or facility, showing payment information
3. SIF waiver (per activity)
4. Direct Deposit form (all reimbursements are through Direct Deposit. Need only be submitted once.)

*Hard copies of receipts and forms must be submitted to the ACE office. Electronic copies are not accepted.

602 Barnes & Noble Cards

Incentive awards serve two purposes: 1) to reward students for past good character and work successfully completed and 2) to encourage students to continue to exhibit good character and successfully complete future academic work. Incentive awards are presented on Week 1 of the following three-week cycle. Students not enrolled when the incentive awards are presented do not qualify to receive these.

- Was in attendance for classes;
- Was punctual for classes;
- Met dress code requirements;
- Submitted HLAs on time;
- Was current on math assignments in book assigned by ACE;

- Had grades of 70% or higher in every subject;
- Grammar C & up, passed monthly memory work & tests;
- Had no disciplinary incidents (including any form of plagiarism);
- Satisfactorily completed character chore every week;
- Attended scheduled state assessments

603 Rewards & Recognition: Honor Roll

For Dialectic – Rhetoric students carrying a full academic load, the school will recognize academic excellence in those who have earned a 3.5 or higher GPA in a given term.

604 Rewards & Recognition: Presidential Award

For Pre-Grammar – Rhetoric students carrying a full academic load, the school will recognize academic excellence in those who have earned all A's for the entire school year (A's in each subject, each term).

700 INSTRUCTIONAL EVENTS

Each school year, the ACE administration and parent volunteers organize a variety of instructional events. These include field trips, parties, and student get-togethers. All eligible students are encouraged to attend, but attendance is not required unless event is held during regular school hours, with the exception of Student Orientation, Year-End party, & the Year-End Program.

701 Eligibility to Attend Field-Trips & Special Events

To qualify to attend instructional events, students must have all HLA assignments current and have no more than one unexcused tardy, unexcused absence, or incident report for the previous 6 weeks.

702 Instructional Event Costs

Most costs of instructional events are covered for students. If there are any required fees for an instructional event, they must be paid at the time the student or family member signs up for the event; any such fees are non-refundable. Distance learning students may attend field trips if desired. School parties and student get-togethers are provided to all students at no cost; however, families may be requested to provide refreshments or assistance.

702.1 Field Trip Absences

If a student or parent has field trip fees paid for by ACE & then the student or parent fails to attend the event, the field trip fee will be deducted from the student's SIF account. Additionally, this applies to non-ACE siblings and guest fees paid from ACE.

703 Behavior

All students must demonstrate good character during instructional events, including arriving in a timely manner and acting respectfully. Students are required to remain under the direct supervision of their parents or an ACE designated staff member. Future attendance at instructional events is dependent upon these stipulations.

704 Extra-Curricular Activities (not sponsored by ACE)

800 MISCELLANEOUS INFORMATION

801 Valuables and Lost and Found

Articles of significant value are prohibited at ACE, and, as such, the school assumes no responsibility for lost, stolen, or broken items. ACE Charter School will not investigate the theft of these items for students who violate this policy by bringing such items to school.

To avoid permanent loss of personal pieces, please mark lunch boxes, binders, and all articles of outerwear. Lost and found articles are stored for a period of one month; unclaimed items will be donated to charity.

802 Harassment

The school environment is to be free of harassment. Harassment includes intentionally annoying another -- verbally, in writing (on paper or electronically), or by physical contact.

It is the South Lane School District's and ACE's policy that students and adults exist together in an environment free of sexual harassment from fellow students and adults. Sexual advances (made with the stated or implied threat that if the advances are resisted or rejected, there will be work or school related reprisals) are considered sexual harassment. The creation of a hostile or uncomfortable environment due to uninvited, un-welcomed, personally offensive sexual attention is also considered sexual harassment. (Refer to Title VI of the 1964 Civil Rights Act.)

803 Public Records Request

Public records include existing, non-confidential documents. Public records related to ACE may be requested by completing and submitting to the Office Manager the *Request for Copies of Public Records* form. No other submissions are recognized or accepted. A charge of \$.25 per copy and \$15.00 per hour for administration to compile the requested documents is charged. At the time the documents are provided, the fee must be remitted.

804 Conflict Resolution

ACE desires to see all conflicts resolved in an ethical manner. It is important to the welfare of the school that disagreements not be allowed to affect the working relationship between families, students and staff. If a situation develops causing tension, families and students must follow the Chain of Command (see 905).

If a problem arises in a classroom, a parent may be asked to remain in the classroom for a minimum of two weeks to observe the situation. At that point, the parent may communicate to the instructor concerns. If the issue is not resolved, the parent may then follow the Chain of Command Appeal process (see 905). If a problem arises in a classroom, a student should approach the teacher respectfully, clearly communicate the issue, actively listen to the teacher's perspective, work collaboratively to find a solution, and if necessary, seek further assistance from the school counselor or administrator.

805 Chain of Command Appeals

ACE policies may be appealed by students, families, and staff by following the ACE chain of command. Issues must first be addressed with instructors, then ADs, and then school administration. The administration will investigate any complaints and, if applicable and meeting the Oregon requirements, this will be reported during executive session to the board. If the complaint does not meet executive session requirements, the findings will be addressed to the board in public session.

If an issue remains unresolved following an administrative review, an ACE policy may be appealed by submitting a written appeal to the ACE Charter School Board. In the case of an appeal, the Board Chair must be notified two weeks in advance of the regular board meeting so the appeal may be presented during open or executive session, as deemed appropriate to state law.

All appeals must be made in advance, not after the fact. In addition, only one exception appeal may be made per school year.

805.1 South Lane School District Appeals

After following the ACE chain of command in an attempt to rectify an issue, families may file an official complaint with the South Lane School District.

805.2 School Policy Regulations

ACE is required to follow all applicable state/federal laws pertaining to education. All ACE Charter School policy is subject to South Lane School District policy (<https://policy.osba.org/southl/index.asp>).
